

Unite with us...

Your support of United Way fuels local programs and services that...

youth
OPPORTUNITY

create pathways from early childhood to college and career, enabling young people to reach their goals and achieve their full potential.

healthy
COMMUNITY

improve access to nutritious food and healthcare resources needed to lead healthier lives.

financial
SECURITY

connect people to crisis care, education, tools, and job training to gain financial freedom.

UNITED IS THE WAY

we strengthen our communities, through collaborative efforts to address our challenges and reach our aspirations, creating positive, lasting change.

How we work...

ALIGN

Convene partners to identify needs and response.

LEVERAGE

Maximize collective impact to close gaps in local needs.

CONNECT

Offer resources and opportunities to make a difference.

TRANSFORM

Together... co-create a brighter future where everyone succeeds.
